ANNUAL REVENUE.

DEFICIAL JOURNAL OF THE CITY. FRIDAY MORMING. : :: MARCH 15, 1872 THE HADICALS SELF-CONDEMNED. Judging from what their own organs and leaders say of the corruption existing in the country since it has been under Grant rule, we are led to believe that never before was there such an utter disregard of truth and honesty as now exists. From an an honesty as now exists. From an honest the related that the side has not there is also an other plcture of the mother, a very old parson, beside him. There is also an other plcture of the mother, with her follow the supreme count's opinions, except when he approved them, he refused, in subsequent cases, to follow his own rulings made at the same to be at all homesick, and her mother, a very old parson, beside him. There is also an other plcture of the mother, with her follow the supreme count's opinions, except when he approved them, he refused, in subsequent cases, to follow his own rulings made at the same to be at all homesick, and her mother, a very old parson, beside him. There is also an other plcture of the mother, with her the relused, in subsequent cases, to follow his own rulings made at the same to be at all homesick, and her mother, a very old in the country has been under nother plcture of the mother, and this own rulings made at the same to be at all homesick, and her mother, a very old in the country has been under nother plcture of t sections of the Union come the same where denounced; and the Radical victors was under its banner. It lost victory won under its banner. It lost papers are holding up many of their us votes in every State, and thieves to the execration of the pec- augmented the Radical majority; and ple. The civil service is so corrupt that it will not bear handling, and ganized and paralyzed the Democratthe military service is fast becoming ic party. The new departure was as specked with rotten places. Congress fatal to the Democratic party as the is bought up, directly or indirectly, or both, in the interest of a monstrous or both or bot tariff, that impoverishes the working classes, drains the country of bonds that the Democratic party has been that the Democratic party has been be given to the public: In 1871 a Japanwith Europe, and offers inducements to smuggling by which the revenue is robbed of a hundred millions a year. This is a horrible picture truly. It is a relief, however, wadding about the new departure, in securing the services of General made powerless for good, by the long of political dunces, Democrats are passed through the United States on his way from England to Japan. He subsequently returned to America, and, in his official capacity as commissioner of the Island of Yeddo, continuous to see the woman named K. Kuroda country seem anxious to see the woman named K. Kuroda passed through the United States on his way from England to Japan. He subsequently returned to America, and, in his official capacity as commissioner of the Island of Yeddo, continuous to see the woman named K. Kuroda country seem anxious to see the woman named K. Kuroda passed through the United States on his way from England to Japan.
